## MERN STACK DEVELOPER

As a seasoned MERN STACK DEVELOPER, I bring expertise in developing robust full-stack web applications. With a solid foundation in MongoDB, Express.js, React, and Node.js, I craft efficient and scalable solutions. My skills encompass front-end and back-end development, API integration, database management, and UI/UX design. I excel in problem-solving, code optimization, and delivering high-quality, user-friendly experiences. Passionate about staying updated .

---

### SKILL:
